

BUILDING NEW WMHCA WEBSITE

W M H C A

Fall/Winter 2006

Dear Members,

Due to the recent 2006 Spring /Summer Newsletter many WMHCA members were not reached due to incorrect addresses and multiple address mailings.

WMHCA is excited to announce the launching of its new upcoming website in Spring 2007, we hope that this form of electronic communication will bolster our membership and unify our goals and objectives for all Wisconsin Mental Health Counselors.

Best Wishes, Janice Gnas, President
