Update

Dear WMHCA members, it is with great pleasure to announce our growing membership and a favorable response to the Unified Dues membership with the American Mental Health Counselors Association. WMHCA also has a newly assigned Board which will help add to our organizational goals. A warm welcome and thank you to all our WMHCA Board members.

I had the opportunity to attend the Annual AMHCA Conference this past July in New Orleans. It was a fantastic conference and very exciting to meet many State Chapter

Leaders and the many exciting changes for

Licensed Professional Counselors nationwide. The Annual conference is well worth the time, the next conference will be held in San Diego, hope to see you all there.

Just a reminder to obtain signatures for the Mental Health Stamp see AMHCA website for details.

WMHCA is preparing to set up a Board meeting to discuss

and implement plans for our association via teleconferences, also to begin organizing conferences for WMHCA. Your input is encouraged please contact us with your ideas and suggestions.

I met with the State Chapter Presidents for Illinois and Iowa and would like to form a collaboration with regard to WMHCA members having the option to attend conferences in Illinois and Iowa at a discounted rate, both State Boards will have to vote an update will be posted.

Best regards, Janice Gnas
